## THE NATIONAL COUNCIL

OF THE CONGREGATIONAL CHURCHES OF THE UNITED STATES.  
Organized Oberlin, Ohio, Nov. 17, 1871. Corporation for the National Council of the Congregational churches of the United States, chartered in Connecticut, 1909.

287 Fourth Avenue, New York

### STATEMENT OF FAITH

ADOPTED AT KANSAS CITY, 1913

The Congregational Churches of the United States, by delegates in National Council assembled, reserving all the rights and cherished memories belonging to this organization under its former constitution and declaring the steadfast allegiance of the churches composing the Council to the faith which our fathers confessed, which from age to age has found its expression in the historic creeds of the Church universal and of this communion, and affirming our loyalty to the basic principles of our representative democracy, hereby set forth the things most surely believed among us concerning faith, polity and fellowship.

#### FAITH

"We believe in God the Father, Infinite in wisdom, goodness and love; and in Jesus Christ, His Son, our Lord and Saviour, who for us and our salvation lived and died and rose again and liveth evermore; and in the Holy Spirit, who taketh of the things of Christ and revealeth them to us, renewing, comforting and inspiring the souls of men. We are united in striving to know the will of God as taught in the Holy Scriptures, and in our purpose to walk in the ways of the Lord, made known or to be made known to us. We hold it to be the mission of the Church of Christ to proclaim the gospel to all mankind, exalting the worship of the one true God, and laboring for the progress of knowledge, the promotion of justice, the reign of peace, and the realization of human brotherhood. Depending, as did our fathers, upon the continued guidance of the Holy Spirit to lead us into all truth, we work and pray for the transformation of the world into the kingdom of God, and we look with faith for the triumph of righteousness and the life everlasting.

#### POLITY

"We believe in the freedom and responsibility of the individual soul, and the right of private judgment. We hold to the autonomy of the local church and its independence of all ecclesiastical control. We cherish the fellowship of the churches united in district, state and national bodies, for counsel and cooperation in matters of common concern.

#### THE WIDER FELLOWSHIP

"While affirming the liberty of our churches, and the validity of our ministry we hold to the unity and catholicity of the Church of Christ, and will unite with all its branches in hearty cooperation; and will earnestly seek, so far as in us lies that the prayer of our Lord for His disciples may be answered, that 'they all may be one'."

#### PURPOSE

"The purpose of the National Council is to foster and express the substantial unity of the Congregational churches in faith, polity and work; to consult upon and devise measures and maintain agencies for the promotion of their common interests; to cooperate with any corporation or body under control of or affiliated with the Congregational churches, or any of them; and to do and to promote the work of the Congregational churches of the United States in their national, international, and interdenominational relations."

#### MEMBERS

"The voting membership of the National Council is made up as follows: The churches in each District Association shall be represented by one delegate. Each Association having more than ten churches shall be entitled to elect one additional delegate for each additional ten churches or major fraction thereof. The churches in each State Conference shall be represented by two delegates, one of whom shall be a woman. Each Conference having churches whose aggregate membership is more than ten thousand shall be entitled to elect two additional delegates for each additional ten thousand members or major fraction (i.e., 5,001 or more) thereof, one-half of whom shall be women. States having associations but no conference, or vice versa, are entitled to their full representation.

The Secretary and the Treasurer are members *ex officio* of the Council.

#### MEETINGS

Meetings of the National Council are held biennially, the next meeting occurring in the spring of 1929, at Detroit, Mich.

## NATIONAL COUNCIL ORGANIZATION

As the name indicates the National Council is a voluntary organization of Congregational churches of the United States for the purpose of conference regarding their common interests.

The central function of the National Council is to provide a gathering for useful discussion of questions of concern to the churches and so to furnish inspiration for increased devotion and effectiveness.

Associated with the function of discussion and inspiration is that of the election of officers and agencies for carrying on the common work of the churches.

Specifically the Council provides for gathering and publishing annually the statistics of the churches as given in this Year-Book.

For the purpose of stimulating the fellowship of the churches and of coordinating the various agencies, an office is maintained, with a Secretary supported by such associates and assistants as seem to be needful.

Between the sessions of the Council an Executive Committee chosen by the Council attends to details of business, arranging for the meetings and submitting programs for the same. This Committee is also the agency for correlating the activities of the several Commissions.

### THE CORPORATION FOR THE NATIONAL COUNCIL

The Council has caused to be incorporated under the laws of Connecticut a Corporation consisting of members elected by the National Council for the purpose of holding the property of the Council, any trust funds committed to the Council and any funds or property entrusted to it by any Congregational church or organization. The Corporation now holds in addition to smaller funds belonging to the Council the Pilgrim Memorial Fund for the endowment of the pension system under the Annuity Fund for Congregational Ministers.

This Corporation is prepared to serve with full dependability any of our Congregational interests requiring a trustee. (See page 15.)

### THE BOARDS OF THE NATIONAL COUNCIL

The Council has caused to be created three administrative boards which are now responsible to it, namely, the Congregational Board of Ministerial Relief, the Annuity Fund for Congregational Ministers, and the Congregational Foundation for Education. For statements of the organization and activities of these boards see pages 22 to 23.

### THE COMMISSIONS OF THE NATIONAL COUNCIL

Ad interim committees of the National Council, except the Nominating Committee and the Executive Committee, are designated as Commissions.

The functions of the Commission on Missions are to correlate the administration of the several missionary societies and boards affiliated with the Council in the interest of economy and efficiency, and to promote the appeal for benevolent funds. Through this Commission it is possible for the Council to keep in touch with the wide range of benevolent activity of the Congregational churches. (See page 13.)

The Commission on Evangelism and Devotional Life maintains an office with an employed staff. Its name indicates the general field in which it operates (see page 14). There are seven other Commissions, none of them being charged with executive functions to any extent but rather with study and report, each in its own field, with such cooperation with the executive agencies of the denomination as seems feasible.

A full list of the Commissions is given on pages 8-12.

### MISSIONARY SOCIETIES AND THE NATIONAL COUNCIL

All but one of the Missionary Societies antedate in organization the National Council itself. They were organized as self-perpetuating corporations. Technically this is still true, but practically all the general Missionary Societies have as their controlling membership the membership of the National Council itself. Meeting in separate sessions under the direction of their own officers, the membership of each of these Societies is in large majority identical with that of the National Council, so that in matters of common concern action taken by the National Council may usually be taken by each of the societies without further discussion, thus giving unity of operation in matters of common concern and making the Missionary Societies the instruments of the churches themselves.

## A STATEMENT OF SOCIAL IDEALS

Adopted by the National Council of the Congregational Churches of the United States, October 24, 1925.

We believe in making the social and spiritual ideals of Jesus our test for community as well as for individual life; in strengthening and deepening the inner personal relationship of the individual with God, and recognizing his obligation and duty to society. This is crystallized in the two commandments of Jesus: "*Love thy God and love thy neighbor.*" We believe this pattern ideal for a Christian social order involves the recognition of the sacredness of life, the supreme worth of each single personality, and our common membership in one another—the brotherhood of all. In short, it means creative activity in cooperation with our fellow human beings, and with God, in the everyday life of society and in the development of a new and better world social order. Translating this ideal

### I. INTO EDUCATION MEANS:

1. The building of a social order in which every child has the best opportunity for development.
2. Adequate and equal educational opportunity for all, with the possibility of extended training for those competent.
3. A thorough and scientific program of religious and secular education designed to Christianize everyday life and conduct.
4. Conservation of health, including careful instruction in sex hygiene and home building, abundant and wholesome recreation facilities, and education for leisure, including a nation-wide system of adult education.
5. Insistence on constitutional rights and duties, including freedom of speech, of the press, and of peaceable assemblage.
6. Constructive education and Christian care of dependents, defectives, and delinquents, in order to restore them to normal life whenever possible, with kindly segregation for those who are hopelessly feeble-minded. (This means that such institutions as the jails, prisons, and orphan asylums should be so conducted as to be genuine centers for education and health.)
7. A scientifically planned program of international education promoting peace and good-will and exposing the evils of war, intoxicants, illiteracy, and other social sins.

### II. INTO INDUSTRY AND ECONOMIC RELATIONSHIP MEANS:

1. A reciprocity of service—that group interests, whether of labor or capital, must always be integrated with the welfare of society as a whole, and that society in its turn must insure justice to each group.
2. A frank abandonment of all efforts to secure something for nothing, and recognition that all ownership is a social trust involving Christian administration for the good of all and that the unlimited exercise of the right of private ownership is socially undesirable.
3. Abolishing child labor and establishing standards for the employment of minors which will insure maximum physical, intellectual and moral development.
4. Freedom from employment one day in seven, the eight-hour day as the present maximum for all industrial workers.
5. Providing safe and sanitary industrial conditions especially protecting women; adequate accident, sickness, and unemployment insurance, together with suitable provision for old age.
6. An effective national system of public employment bureaus to make possible the proper distribution of the labor forces of America.
7. That the first charge upon industry should be a minimum comfort wage and that all labor should give an honest day's work for an honest day's pay.
8. Adequate provision for impartial investigation and publicity, conciliation and arbitration in industrial disputes.
9. The right of labor to organize with representatives of its own choosing and, where able, to share in the management of industrial relations.
10. Encouragement of the organization of consumers' cooperatives for the more equitable distribution of the essentials of life.

11. The supremacy of the service, rather than the profit motive in the acquisition and use of property on the part of both labor and capital, and the most equitable division of the product of industry that can be devised.

### III. INTO AGRICULTURE MEANS:

1. That the farmer shall have access to the land he works, on such terms as will insure him personal freedom and economic encouragement, while society is amply protected by efficient production and conservation of fertility.

2. That the cost of market distribution from farmer to consumer shall be cut to the lowest possible terms, both farmers and consumers sharing in these economies.

3. That there shall be every encouragement to the organization of farmers for economic ends, particularly for cooperative sales and purchases.

4. That an efficient system of both vocational and general education of youths and adults living on farms shall be available.

5. That special efforts shall be made to ensure the farmer adequate social institutions, including the church, the school, the library, means of recreation, good local government, and particularly the best possible farm home.

6. That there shall be a widespread development of organized rural communities, thoroughly democratic, completely cooperative, and possessed with the spirit of the common welfare.

7. That there shall be the fullest measure of friendly reciprocal cooperation between the rural and city workers.

### IV. INTO RACIAL RELATIONS MEANS:

1. The practice of the American principle of the same protection and rights for all races who share our common life.

2. The elimination of racial discrimination, and substitution of full brotherly treatment for all races in America.

3. The fullest cooperation between the churches of various races, even though of different denominations.

4. Educational and social equipment for the special needs of immigrants, with government information bureaus.

### V. INTO INTERNATIONAL RELATIONS MEANS:

1. The removal of every unjust barrier of trade, color, creed, and race, and the practice of equal justice for all nations.

2. The administration of the property and privileges within each country so that they will be of the greatest benefit not only to that nation but to all the world.

3. Discouragement of all propaganda tending to mislead peoples in their international relations or to create prejudice.

4. The replacement of selfish imperialism by such disinterested treatment of backward nations as to contribute the maximum to the welfare of each nation and of all the world.

5. The abolition of military armaments by all nations except for an internal police force.

6. That the church of Christ as an institution should not be used as an instrument or an agency in the support of war.

7. A permanent association of the nations for world peace and good-will, the outlawry of war, and the settling of all differences between nations by conference, arbitration, or by an international court.

We believe it is the duty of every church to investigate local moral and economic conditions as well as to know world needs. We believe that it is only as our churches themselves follow the example and spirit of Jesus in the fullest sense—translating these social ideals into the daily life of the church and the community—that we can ever hope to build the Kingdom of God on earth.

These affirmations we make as Christians and loyal citizens of our beloved country. We present them as an expression of our faith and patriotism. We urge upon all our citizens the support of our cherished institutions, faithfulness at the ballot, respect for law, and loyal support of its administrators. We believe that our country can and will make a great contribution to the realization of Christian ideals throughout the world.

## THE COMMISSION ON MISSIONS

287 Fourth Avenue, New York City  
19 So. La Salle Street, Chicago, Ill.

### OFFICERS

*Chairman.*—Rev. OSCAR E. MAURER, New Haven, Conn.  
*Vice-Chairman.*—Mr. FRANK E. BOGART, Detroit, Mich.  
*Treasurer.*—Mr. EDWIN G. WARNER, New York City.  
*Recording Secretary.*—Mrs. LESLIE R. ROUNDS, New York City.  
*Secretary, ex officio.*—Rev. CHARLES E. BURTON, New York City.  
*Secretary of Promotion.*—Rev. CHARLES C. MERRILL, Chicago, Ill.  
*Associate Secretaries.*—Rev. HENRY S. LEIPER, Mrs. D. FOSTER UPDIKE, N.Y. City.  
*Secretary of Laymen's Committee.*—Rev. WILLIAM S. BEARD, New York City.

### FUNCTIONS

The several missionary organizations are related to the churches through identical membership, namely, that of the National Council. Naturally there are many details of interrelationship. The Commission on Missions is the agency for this interrelationship. Its work is two-fold:

1. *Fostering economy and efficiency.* The Commission is charged with the duty of recommending processes whereby missionary work may be administered with the greatest economy and at the same time with the highest efficiency. Associated with this function is that of serving as a court of reference for the decision of questions arising between two or more societies.

2. *The promotion of income.* Since 1921 the largest activities of the Commission have concerned the raising of missionary funds. For two years this was done in the name of the National Council. At the 1923 meeting of the Council and of the Societies the members of the Commission on Missions were elected by each of the missionary boards as its representative agency for presenting what is known as "the common appeal" for \$5,000,000 per annum for our total missionary work. At the meeting in 1925 this was enlarged to include its entire promotional work.

### ORGANIZATION

1. *Membership.* The Commission consists of the thirty-six elected members of the Home Board, the thirty-six elected members of the Prudential Committee of the American Board and nine members at large, and the Moderator and Secretary of the National Council *ex officio*. With them sit the chief promotional Secretaries of the several Societies, and once each year the Superintendents of the State Conferences.

2. *The Executive Committee.* The details of the work of the Commission are carried forward by a carefully selected Executive Committee, with whose operations the entire Commission is kept in touch by the circulation of the minutes of each meeting.

3. *Promotional Council.* For carrying out the plans of the Commission a Promotional Council has been constituted consisting of five representatives of the foreign boards, five of the home boards, together with three State Superintendents, the Promotional Secretary of the Commission, the Secretary of the National Council, the Secretary of the Laymen's Advisory Committee, and the Secretary of the Committee on Missionary Education.

4. *Other Committees.* Chief among the other committees of the Commission are the Survey Committee, a Laymen's Advisory Committee, and a Committee on Missionary Education.

### PROCESSES

1. *Meetings.* The Commission meets ordinarily but once a year. This meeting takes place in connection with the midwinter gathering of the Home Board and of the Prudential Committee of the American Board, thus economizing in time and travel expenses. The Executive Committee and the Promotional Council meet as occasion requires.

2. *Literature.* One of the important functions of the Commission on Missions is the publication of literature setting forth the entire missionary enterprise of the Congregational churches.

3. *Field Work.* Under the general direction of the Secretary of Promotion a small force of field workers directly employed by the Commission, with the cooperation of the Secretarial forces of the Societies and working through the state organizations, is developing through actual contact with the churches those processes which seem to be most effective for disseminating missionary information and stimulating benevolent contributions. This process is so intimately related to the financial operations of the local churches that this latter interest is combined with the former, thus helping the churches to financial strength.

### INFORMATION

The local church may ordinarily secure information directly from its own state office. State workers should address the Commission on Missions at its New York or Chicago Offices. Persons not knowing to whom to write locally may communicate with the Commission directly.

## THE COMMISSION ON EVANGELISM AND DEVOTIONAL LIFE

Room 518, 287 Fourth Avenue, New York City

*Chairman.*—LEWIS T. REED, D.D.

*Secretary.*—FREDERICK L. FAGLEY, D.D.

*Assistant Secretary.*—MISS ELLA G. SPARROW.

*Treasurer.*—FRANKLIN WARNER.

### OBJECT

This Commission was established by the National Council at Des Moines in 1904. It is composed of six active and eighteen corresponding members elected by the National Council. It is charged by the National Council to do two things:

*FIRST:* To bring before the churches the denominational program of evangelism and devotional life based on the following principles:

1. That the chief object of the Christian Church is to win men to Christ and to train them in the worship of God and in the service of their fellows.
2. That the pastor of the local congregation is the spiritual leader of the church, and that upon him rests the responsibility of initiating an aggressive program for winning men in his church and of directing that program along practical lines.
3. That the pastor should avail himself of the experience of other pastors and apply to his own work what is of most value to his particular situation.
4. That the pastor can aid the work of his church by selecting effective helpers from his membership, training them to assist in the work of the church and directing them in their efforts.
5. That the church should look upon its opportunity of leading the young people into the worship and service of the church as the prime object of its religious education program.
6. That the church is responsible for the cultivation of the devotional life of all the people in the church, in the home and in private meditation.

*SECOND:* To make a continuous study of methods used by effective churches; to make them known to all pastors; and to provide such other helps to evangelism and devotion as are within its powers.

### PROGRAM

The work of the Commission is grouped around two centers:

#### I. The Program of Fall Activities.

1. The Fall Rally, to reinterest the members of the church and to enlist new people in the worship and service of the church.
2. Church Visitation of the entire parish.
3. Church attendance campaign.

#### II. The Pre-Easter or Lenten Program.

1. *The Program of Preaching.* This season is especially appropriate for the presentation from the pulpit of the great fundamental Christian truths, that the people within our churches may understand the foundations of faith, and that those without the church may be led to accept the Christian interpretation of life and join in the worship and service of the church.
2. *The Pastor's Training Class,* which has for its object the leading of young people to study Christian truth and under the pastor's influence to accept Christ as the personal Saviour.
3. *Training Personal Workers.* The pastor may multiply himself by enlisting and training consecrated workers to cooperate with him in the service of winning others to the Christian life.
4. *The Deepening of the Devotional Life.* That the people may have a new loyalty to Christ and a new determination to manifest his love in the life of the world, increased Bible study, meditation and prayer should be encouraged.
5. *The Easter In-Gathering.*

Mission lands continue to be among the most disturbed and revolutionary areas of the world. The year 1927 witnessed some rapid and epochal changes in the Board's operations in China. The withdrawal of missionaries from their stations by the pressure of war was most spectacular. But the passing of responsibility and authority for the conduct of the work from the mission to the organized Chinese church was most significant. A new era has begun in the Christian movement in China. India is still astir with the new nationalist spirit but the intenser anti-foreign feeling seems to be passing. Missionaries meet no hostility and mission schools of all grades are fuller than ever. The head of the Department of Education in the Bombay Presidency, an educated and able Hindu, has remarked that what India's educational system needs is "more of the missionary spirit." The making over of Turkey into a modern state is going on with a swiftness and a thoroughness that few realize, and Mission work is making as swift advance in its transition to ministry for the Turks. More than a thousand Turkish youths of both sexes are now in mission schools of higher grade and the missionaries report

that they never had so free access to Turks or such stirring opportunities as now. While the conflict of state and church is still bitter in Mexico, the Protestant churches and workers are finding themselves in favorable situations. The ban on preaching by foreigners puts to the front the Mexican preachers and teachers in the Board's work and adds emphasis to the need of adequate training of these who must now be still more clearly the leaders of their people.

In lands less disturbed the last year was one of steady work. The division of the field in West Africa between the Canadian Board and the American Board has called fresh attention to the under-staffed and insufficiently maintained undertakings at the stations in the American Board sections. The problem of racial relations is one of growing concern in South Africa where missionary work is one of the mediating factors. Religious intolerance in Spain seems to be stiffening so that there is real though quiet persecution against the Board's modest work which is patiently going on. A cheering event of the year was the securing of a new missionary family for the Micronesia field which has long been seeking reinforcement. The Protestant movement in Czechoslovakia is making rapid and marked advance.

Financially the year has been an exceedingly disappointing one, resulting in a deficit of \$120,456.46, which, coming on the top of a series of similar years, constrained the Prudential Committee to make a cut in the appropriations for 1928 of over \$100,000 as compared with 1927. A notable achievement, however, is recorded in the wiping out during the year of the old debt of \$213,242.13, which was made possible by the generosity of sixty-five friends of the Board. By reason of this achievement, notwithstanding the new indebtedness, at the close of the year the Board was better off by the sum of \$92,785.67. The total receipts from all sources in 1927 amounted to \$2,117,917.05.

#### STATISTICAL SUMMARY

The American Board is responsible for a foreign parish of 60,000,000 people. There are 17 missions under 12 different flags. The stations connected with these missions number 98 and the outstations 1,665. The missionaries under life appointment are 653 and include 155 ordained men, 67 unordained men, 207 wives, and 224 single women. There are 108 associates who are serving for shorter periods, making a grand total of 761 missionaries. The native force of workers is 5,743. Religious services are carried on in 2,492 places. There are 773 organized churches with 99,912 communicants. In 1926, 5,398 members were added to the church rolls. The total church constituency numbers 305,761. There are 1,347 Sunday Schools and pupils. The educational work has at the top, 36 theological and training schools with 1,493 pupils, and 7 colleges with 3,527 students. Below these are 83 secondary or middle schools with 11,759 pupils and 1,226 primary and elementary schools with 68,310 pupils. The schools of all grades are 1,352 and the total under instruction is 85,083. The medical statistics show that the Board has 30 hospitals and 65 dispensaries with which are connected 51 physicians and 26 foreign nurses. The record shows that there were 18,220 hospital patients and 122,612 dispensary patients. The total treatments were above 433,864 or about 1,200 treatments per day. The native contributions for church work, educational work, and for all purposes amounted to \$606,505. Total expenditures, including Woman's Boards, for year ending August 31, 1927, \$2,166,596.

## WHAT IT IS AND HOW IT WORKS

The Association represents the brotherly helping hand of the Congregational Christians stretched out to the unprivileged groups of America—particularly the American Highlander, the Negro, Indian, Chinese and Japanese, Porto Rican, Mexican and Hawaiian. It remains, as it began, a Crusade of Brotherhood standing in a day of race friction and class discrimination for the undiluted application to human relations of Jesus' way of life.

Upon foundations put down in earlier days by the Association there stand today Hampton, Atlanta and Fisk universities, Berea and Piedmont colleges and such well-known enterprises as the Interracial Movement. It is today, as ever, laying foundations—in institutions, in public sentiment, in individual character. It is demonstrating the possibility of mutual cooperation between the races represented among us for the eradication of injustice, discrimination, animosity and prejudice, and for the upbuilding of a truly democratic and Christian civilization.

Its activities as always are mainly in the field of education. With the development of more adequate tax-supported institutions among the Negroes, work with them yearly becomes more particularly high school and normal training, together with college, seminary and university education. In churches, in Sunday schools, through primary schools, high and normal schools, theological seminaries, technical schools, hospitals and field work the representatives of the Association—Christian Ambassadors of Friendship—are developing leadership: to the end that each racial group may *advance in cooperation* with every other toward a more genuine application of the principles of life which distinguish brotherly men of good will.

The great proportion of our graduates among all races now in educational work is significant. So far as is known none of them has ever been in court charged with crime. The degree of self-support achieved is witnessed by the fact that tuitions now paid equal at least five times the original total budget of the Association and about one third of the gifts of all the Congregational churches toward the annual budget.

Speaking for his race, Major Moton recently said: "I doubt if there is any of our leaders who has not been directly or indirectly influenced by the American Missionary Association."

Speaking of the past James Bryce, honored Viscount, said: "The Negro has made more progress in the last sixty years than the white race in any six hundred years."

Our achievements under God have been substantial. The challenge of the present hour calls for renewed application to our vital task.

The Annuity Fund for Congregational Ministers provides age annuities for Congregational ministers and incidental protection against the minister's permanent total disability occurring during the years of active service, and for his family in case of his untimely death.

Its resources are derived from payments by the minister himself, from contributions of churches and individuals, from legacies and conditional gifts and from the distributable income of the Pilgrim Memorial Fund.

Any minister now entering membership becomes eligible for an annuity in proportion to the amount to his credit at age sixty-five, or up to age sixty-eight if he so elects. Dues are based upon the annual salary. The member's annual share in the distributable income of the Pilgrim Memorial Fund is credited, after the first year of membership, on his annual dues.

441 Lexington Avenue, New York

Established by vote of the National Council, Columbus, Ohio, October 13, 1917, as the foundation of the Annuity Fund for Congregational Ministers which supervises the collection of subscriptions and transmits payments to the Corporation for the National Council.

The first minimum objective of \$5,000,000 was increased by vote of the National Council, in 1921, to \$8,000,000.

The principal of this fund is held in perpetuity by The Corporation for the National Council to be invested and reinvested, and the distributable income, as determined by said Corporation, is turned over to the Board of Trustees of The Annuity Fund for Congregational Ministers to be used to aid in providing Age Annuities and Disability Annuities for Congregational ministers who become members of the Annuity Fund and Death Benefits for their widows and minor orphan children.

The Pilgrim Memorial Fund had, December 31, 1927, 98,030 subscriptions, excluding cancellations, aggregating \$6,031,374 on which net collections, above expenses, had been made aggregating \$4,926,910, including legacies and matured conditional gifts amounting to \$60,190. That this year the Society completes its hundred and second year.

That in the early history of the Society it was interdenominational.

That many Presbyterian churches owe their foundation and life to the Society.

That the Society has expended over thirty-seven million dollars to plant and sustain mission churches.

That the Society commissioned 169 missionaries the first year of its history, 1,429 last year, including those sent out by Self-supporting States.

That four out of every five Congregational churches were planted by the Society or its auxiliaries.

That a year of missionary labor cost the Society last year, 1926-27, \$1,192,180, \$467,187, \$390,185, \$180,182, \$127.

That the receipts of the Society and its auxiliaries for 1925-26 were \$1,229,810; for 1826, \$18,140.

That the expenditures of the Society and its auxiliaries for 1925-26 were \$1,270,507; for 1826-27, \$13,984.

*Form of Bequest.*—I give and bequeath to "The Congregational Home Missionary Society," organized in the City of New York in the year 1826, a corporation existing under the laws of the State of New York, the sum of———dollars to be applied to the uses and purposes of said Society.

#### CONGREGATIONAL CHURCH BUILDING SOCIETY

In seventy-four years this Society has helped to complete 5,878 churches and 1,632 parsonages. Its receipts have amounted to \$13,292,678.12. It has helped to secure church property worth over \$40,000,000, and has been an important factor in the nearly 200 per cent growth in our denomination in a little more than half a century.

The total receipts in 1927 were \$305,090.82 for current use. The contributions for church and parsonage building were \$180,939.75. The repayments on church and parsonage loans were \$250,225.76. Conditional gifts brought in nothing and legacies amounted to \$52,659.21. Repaid grants and sales of abandoned churches, \$39,449.66. From other sources of income came \$105,517.79.

Last year the Board voted 208 church grants and loans, and 37 parsonage loans, amounting to \$533,543. Paid on 121 new houses of worship and 39 parsonages, putting into them \$589,901.90. One hundred and thirty applications for grants, church loans and parsonage loans, asking for more than \$412,900, were carried over into 1928 because lack of funds prevented immediate response.

*Needs.*—At least \$400,000 a year in offerings from churches and their affiliated organizations, and additional funds of two and a half million dollars for church and parsonage loans required to meet greatly increased demands.

*Form of Bequest.*—I give and bequeath to "The Congregational Church Building Society," a corporation organized and existing under the laws of the State of New York, the sum of———dollars to be applied to the uses and purposes of said Society.

This work consists chiefly in founding and maintaining Sunday schools and in sending out college young people for summer extension service. In cooperation with the Education Society a Children's Day program is provided each year.

*Form of Bequest.*—I give and bequeath to "The Congregational Sunday School Extension Society," a corporation organized and existing under the laws of the State of New York, the sum of———dollars to be applied to the uses and purposes of said Society.

## THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY

615 Congregational House, Boston

PAGE, D.D.; OSCAR A. PHELPS; Rev. ARTHUR P. PRATT, D.D.; Rev. E. R. STEARNS; IRWIN W. TAPLEY; Rev. W. B. TUTHILL, D.D.

*Secretary.*—Rev. ARTHUR J. COVELL.

This Board is maintained and controlled by the Congregational Conferences of the six New England states. It is an advisory agency in aiding pastoral settlements. Its rule is to make recommendations to a church only in response to direct official request. It is the servant of the churches, and is entirely responsible to them.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We give names of men available for the pastorate, if that is desired; and we designate and engage men to preach with reference to settlement whenever that may be left with us. We also furnish temporary or occasional supplies wherever they may be wanted. The Secretary visits churches upon request, supplying the pulpit and meeting the committee of the church.

The Secretary also visits the theological seminaries, that he may, so far as possible, know personally the men of the senior classes who are ready for settlement. And as far as desired, and other duties permit, he speaks before associations of churches and ministerial unions in the interests of the work for which the Board stands.

The work of the office is large and increasing. We have carefully recorded statements concerning more than half of all the Congregational ministers in the country, and of nearly all those in New England. The churches served by us are most largely in the New England states, but our business reaches to almost every state, and passes even a little beyond the bounds of the Union.

The records of our office contain important facts relative to the churches that have corresponded with us. They cover preaching engagements of every sort made through our agency, and they include copies of all letters descriptive of ministerial standing and capacity. Nothing is done that is not put within reach of authorized inspection.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in, as far as possible, the general judgment of discerning men who have had opportunities or knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contributions from the churches of New England, through the treasuries of the State Conferences. Fees are charged, however, to ministers for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of New England. Within New England, there is no settlement fee. No charge is made to churches anywhere. But churches outside of the six cooperating states have often assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

## BOSTON SEAMAN'S FRIEND SOCIETY, INC.

Office: 618 Congregational House, Boston

Organized 1827. Incorporated 1829. Reorganized 1922.

The Society's affairs are administered by the representatives named below, chosen by the New England Conferences. The former organization transferred to the new Corporation more than \$200,000 worth of real estate and other assets, including land and buildings in Boston and Vineyard Haven and invested funds. The reorganization plans include the extension of the work to first cover all New England and ultimately to become national in its scope.

The Society is devoted to the material, social and religious welfare of seamen of all nations. THE PRIMARY AIM OF THE SCHOOL is to train both men and women for positions of leadership in the field of religious education, either in the local church or the organized Sunday school work. The school provides a thorough, practical training for lay workers in other forms of church service, such as pastors' assistants etc., or in social settlement work or other charitable work.

THE PLAN OF INSTRUCTION offers a two years' course for those who have had two years of college work or are graduates of a good normal school. This course leads to the degree of Bachelor of Religious Education.

For graduates of colleges or theological seminaries a more advanced course of study is offered, including electives from the whole curriculum of the Theological Seminary and the School of Missions. Such advanced courses lead to the degrees of Master of Religious Education, Master of Arts, and Doctor of Philosophy.

THE EQUIPMENT.—The School is housed in the new buildings of the Hartford Seminary Foundation, viz.: Hosmer Hall, the men's dormitory; Mackenzie Hall, the women's dormitory; Knight Hall, class rooms for the School of Religious Education; Avery Hall, containing the Case Memorial Library.

The Graduate School of Theology provides the opportunity for college graduates to get adequate training for Christian service in the ministry of the church, secretaryship of the Young Women's Christian Association or Young Men's Christian Associations at home or abroad, for leadership in religious education at home or abroad and for Christian social service in city or country communities. Throughout its history, though independent by charter, Oberlin has sustained the most friendly relationship with Congregational churches and work.

**EQUIPMENT.**—In addition to Council Hall, in which are located the theological class rooms and dormitory accommodation for sixty students, the School of Theology has at its disposal the entire equipment of Oberlin College. The College Library contains 280,000 bound volumes and an equal number of pamphlets and all the current social and religious magazines. Approximately 100,000 of the volumes in the library are on theological and closely related subjects. The College Gymnasium, Chapel and Men's Building are also available for the School of Theology use.

**TERMS OF ADMISSION.**—College graduation and church membership are required. Men and women of any denomination, race, or color are admitted. This year we find fifteen denominations are represented in the student body.

**DEGREES IN COURSE.**—The degree of *Bachelor of Divinity* is granted at the completion of the three-years' theological course, including 90 semester hours of work, nearly one-half of which is elective, chosen from a broad range of courses. The degree of *Master of Arts* may be earned by one year of graduate study in theological or college courses. The advanced degree of *Master of Theology* (S.T.M.) is granted after a fourth year of theological study completed with high credit.

**SPECIAL ASSETS.**—Students in the Graduate School of Theology have the advantage of being a part of the student body of one of the most cosmopolitan colleges in America. They share in the university privileges and the scholarly standards and fine Christian ideals of Oberlin. Oberlin is a center of unique and broad missionary interests, and has contributed largely to the missionary forces of the Congregational Church. The Oberlin Conservatory of Music is one of the leading conservatories of the world, and makes available unusual musical advantages. Oberlin is equipped with a splendid Art Building, a fine Art Library which includes a collection of over 60,000 stereopticon art slides. Living expense is moderate and the generous scholarships and prizes with the opportunities for self-help in the community make self-support comparatively easy.

For catalogue and further information address the Dean.

The College is openly and frankly interdenominational in its attitude and appeal, and students of various denominations are now in attendance upon equal terms. It was organized, however, by Congregationalists and took over undergraduate and foreign work of the Chicago Theological Seminary; its Faculty and Board of Directors are nearly all Congregationalists. It depends primarily for sympathy and financial support on the denomination responsible for its origin and ongoing.

The College is centrally located, adjoining the New First Congregational Church, which offers unusual opportunity for church work and worship. High school graduation is the standard requirement for entrance. The usual seven-year college and seminary curriculum is systematically abridged into four years by selecting the most essential theological and as many college studies as can be provided in the time available.

The ten major branches included are as follows:

- (1) The history, contents and use of the English Bible.
- (2) Preaching, Evangelism and Pastoral Ministry.
- (3) The History of Religion among the Nations.
- (4) Christian Faith and Theology.
- (5) Religious Education and Social Christianity.
- (6) Ancient and Modern History.
- (7) English Language and Literature.
- (8) The Natural Sciences.
- (9) Psychology, Ethics, Philosophy.
- (10) Ecclesiastical and Civic Organizations, Denominational Polity, Missions.

The College offers the degree of Bachelor of Theology (TH.B.) to those fully qualified who complete the course in a satisfactory manner and present a thesis of not less than five thousand words on a subject acceptable to the committee on graduation. In no case will the College bestow its degree upon students who have not met the requirements—a high school course or its full equivalent, a satisfactory completion of the course of study, and an acceptable thesis.

For information address the PRESIDENT or the SECRETARY, 44 North Ashland Boulevard, Chicago, Ill.

## THE MINISTRY

### MINISTERIAL STANDING

One becomes a Congregational minister in good standing by being ordained to the Congregational ministry and being received into membership of an association of Congregational churches and ministers. Ordination is ordinarily at the hand of a Congregational council which may or may not be made up of representatives of the churches of the district association. Ministers are also received from other denominations.

In practice candidates for ordination are expected to have received a theological training consisting of a three years' seminary course or its equivalent, following a college education.

### THE SEMINARIES

The theological seminaries and schools of religion associated with the Congregational churches are for the most part quite independent of the actual control of those churches, Chicago Theological Seminary being an exception to this general rule. The relationship between the seminaries and the churches, however, is the vital relationship of being members of the same family. Their origin is found in the fellowship of the Congregational churches; their financial foundations have come largely from it; their students are recruited from the membership of the churches and their graduates find their life work in the churches. More and more there is a broadening base in all denominations resulting in the presence in most seminaries of representatives of many denominations.

### THE COMMISSION ON RECRUITING

The importance of recruiting an adequate number of the right kind of young men and women for all kinds of Christian work led the National Council to appoint a Commission on Recruiting for Life Service. It is the function of this Commission to keep before the churches the need of constantly holding before the young the challenge of Christian life work.

## ANNUAL STATISTICS OF THE CHURCHES

See last page for last minute revisions

The statistics are collected by the registrars of the state organizations and compiled in the office of the National Council. They are of date of January 1, 1928, and cover the year 1927; Changes in pastorates are corrected until copy is complete. Such revisions are not involved in the summaries.

Extensive changes will be noted in this issue of the Year Book. The schedules are condensed from two pages to one, making their use easier and omitting very little information not otherwise available. Many items omitted are given in totals for states and in the general summaries; others may be arrived at by computation; *e.g.*, subtracting members admitted on confession from the totals gives the number admitted by letter. The clerks' names are given on pages 264-298 with the addition of street or rural delivery addresses. Names of Sunday School superintendents, church treasurers, treasurers of benevolence and chairmen of boards of trustees, are on file in state offices, as are also other data omitted from the schedules.

Great care is exercised to secure accuracy, but where so many authors and so many details are involved mistakes are practically inevitable. The editors have not attempted to adjust errors and omissions in church reports to make them agree with the reports of the preceding year, but present the data as furnished by the registrars. In the summary tables totals of this year are compared with those of last year to determine losses and gains, which is more satisfactory than to add additions and subtract removals where discrepancies are inevitable.

Persons noting errors are earnestly requested to report the same, especially when the mistakes involve benevolent contributions. Here it should be noted that money received in any national, district or state office to and including January 10, is credited to the preceding year unless otherwise requested.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post-office unless followed by a name in heavy faced type. If this postal word is an adjective it goes with the preceding name, *e.g.* Newton, West, signifying West Newton. If itself a name it supersedes the other, as "Newton, **Auburndale**," meaning Auburndale in the town of Newton.

Reference marks are used as follows:

- \* Church has parsonage.
- † Missionary Aid to salary included.
- ‡ Not full time salary but payment for summer work, and the like.
- # Contribution amounts to less than 50 cents.
- \$ For address see alphabetical lists.
- || Figures are inserted from last Year Book.
- [ ' Brackets around a pastor's name signify "Not a Congregational minister in full standing."
- i Pastor installed by Council.
- r Pastor recognized by Council.
- y Pastor serves more than one church. See Summary.
- c Includes Cradle Roll.
- h Includes Home Dept.
- e Includes Cradle Roll and Home Dept.
- b Includes Branch Sunday School.
- z Gifts on benevolence to objects similar to Nat'l So. causes.

When a church has failed to report, items of church and Sunday School membership and value of church property are inserted from record in the previous Year-Book and marked ||. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the returns by the failure of churches to report.

The tables are *not a postal guide to the address of ministers*. For addresses refer to alphabetical lists in the back of the book.

Under church "Members" the number "Absent" are included in the figures under "Total."

Under the form of organization in Hawaii the Hawaiian Board administers work comparable to that done in the states through the C.H.M.S., C.C.B.S., C.S.S.E.S., C.E.S., and the State Conference, there being no differentiation the total is credited in the column "State Conf." and marked z in other columns affected.

Amount of "Home Expenses" includes all salaries, together with missionary aid, operating expenses for church, Sunday School, choir and parish, also cost of new buildings, repairs and improvements paid for during 1927.

"Pastoral units" include the total number of pastors of individual churches; pastors serving yoked fields and vacant churches reporting amount of salary. Endeavor has been made to eliminate part time workers, such as students serving during the summer.

The *Summaries* give important data by states in Table I and national data by years in Table II. The less important items appear in the supplemental summary. Additional totals appear in footings of state schedules.

## CONGREGATIONAL CHURCH ASSISTANTS

In a growing number of churches specially trained but unordained men and women are engaged to supplement the work of the pastor or pastors. This service is rendered under a variety of titles, and in varied fields. Some are directors of religious education, some church secretaries, some parish visitors, some have a combination of two or more functions. It is evident that there will be a growing demand for workers of this sort as the churches enlarge their conception of the task resting upon them.

A Congregational League of Church Assistants was organized in October, 1915. This League endeavors to be of service to those who are seeking training and to bring together churches and workers. Inasmuch as very few of the existing body of such workers are men, membership in the League is confined to women.

## CONGREGATIONAL MINISTERS IN FULL STANDING.

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational ministers or of Congregational ministers and churches.

The following is a compilation of the lists furnished by the state registrars.

Ministers not in pastorates are indicated by the inclusion of ordination date after address. Information regarding pastor is found in the appropriate place in the state report; refer to state and place for this information. Page numbers are given for those whose names appear in pages 8-65 and on the record of 1927 ordinations, pages 262-263.

An asterisk (\*) before a name indicates that the person is not now reported by any Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one association to another as well as for correction of errors.

A dagger (†) indicates that the address had not been verified.

Names of persons variously employed are indicated by *Ch.*, chaplain; *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *P.em.*, pastor emeritus; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher; *Tr.*, treasurer; *bus.*, business; *lec.*, lecturer.
